christmas decoration in white

Instructions No. 3420

White Christmas: Creative ideas for your festive decorations

Christmas is fast approaching and for the creative minds among us, that means it's time to get started with the DIY-Christmas trends! Discover how you can create a magical, white Christmas world with frosty decorations in this guide. Be inspired by glittering snow landscapes, sparkling frost and puristic christmas decoration in the trend color white.

Snow as far as the eye can see

White Christmas and snowy landscapes wherever you only look - thanks to creative craft materials, you can make this image a reality. Small decorative objects such as kandelaar, vases and nativity can be given a wintery look with materials such as icicle medium or frost effect liner. Frost-look window pictures are very easy to apply and can be easily removed after the Christmas season.

The classic snow can also be applied permanently using various pastes. Use spatula or a brush to apply the decorative snow paste to undecorated products wood, ceramic, clay or metal. For more delicate work, use the snow liner to create fine details.

Bright white angels

Snow and angels simply belong together at the white christmas decoration These cute angel pendants from a craft kit are a perfect highlight for Advent wreaths, flower arrangements or kandelaar at Christmas time.

Less is more: purist, white christmas decoration

White, pure decorative objects are ideal for anyone who likes things more minimalist. They look stylish and

modern and are often made of fine porcelain. If you feel the need for a splash of color at some point, you can easily adapt them afterwards.
