Design a maritime wreath

Instructions No. 3687

Difficulty: Beginner

Working time: 3 Hours

Bring the feeling of the beach and the sea into your home with this maritime wreath. Natural materials such as jute, cotton cord and shells create a light, summery look. The wreath is easy to make and is ideal for decorating doors, walls or windows - perfect for anyone who loves maritime craft ideas.

This is how you design the wreath:

Step 1: Wrap the wreath

Fix the beginning of the **cotton cord** to the straw wreath with **hot glue** and wrap the ribbon evenly around the wreath. Then change the ribbon and glue it around the wreath **jute ribbon** also around the wreath. Secure the beginning and end of both ribbons with hot glue.

Step 2: Paint the decorative elements

Paint the **scatter decoration** and **wooden plugs** with the **craft paints** of your choice. Allow the paint to dry completely.

Step 3: Decorate the wreath

Glue the **shells**, scatter decoration and wooden plugs to the wreath using hot glue. Apply hot glue to the free spaces in between and then sprinkle the **shell granules** on top to create a harmonious, maritime look.

Step 4: Attach the suspension

Finally, tie a **ribbon to** the wreath **to hang it up**.
