Acrylic beads with light chain

Instructions No. 1806

Difficulty: Beginner

Working time: 45 Minutes

Are you still looking for a creative decoration for the next children's birthday party? This flash idea can be realized in no time and looks just great. The cute unicorn and the alpaca can just as well be made by the children themselves at the birthday party and then taken home with them.

Proceed as follows:

First download the free **motif template** and print it out. Cut out the individual parts and transfer them to **Paper**. Cut everything to size and put the parts aside for now. Bind in **Ribbon** to the suspension eye in the desired length. Now place the **light chain** in the **Acrylic ball**. The wire of the chain of lights, which sticks out at the top, is twisted into the **suspension band**

Now glue the **eyes**, **ears** and **mouths with** double-sided **Adhesive tape** to the Acrylic balls. The fluffy alpaca mane, which is made of cotton wool, is attached with some **hot glue**. Then the **Pompoms** placed on the head at will. For

the glittering horn turn a little **Chenille wire** together and fix it with hot glue on the head of the unicorn. Afterwards also here the **Pompoms** spread it on the head and stick it.
