Advent wreath screw-in glass

Instructions No. 2075

Difficulty: Beginner

Working time: 2 Hours

This Advent wreath is noble and simple. With little material and effort this wreath will also be successful for you and decorates your home during the Christmas season.

This is how it is done:

Glue the candle sleeves **onto the** screw caps **with** mounting glue. When dry, spray the whole thing with edding **Permanent Spray in** Black. any shade you like. Leave to dry

Print out the free **motif template**. Cut out the numbers and glue them to the glass wall from the inside. Use a **water-soluble pen to draw** the numbers. Afterwards, the numbers are **painted** slowly with the engraving set

Fill the glasses with foil balls**,** remove the wire in advance. Screw the lids onto the glasses. Finally, place a candle wax tile in each spout **and place** a candle inside.
