Tasse und Geschenkschachtel im Kirschblüten-Design

Instructions No. 868

With this cup the good morning-Coffee tastes even better! The fresh, delicate flower motifs create a good mood and what could be better than giving it away?

Do it - the cup is already in a box, which you Gift wrapping can personalize.

Box

Paint a rough branch with the brush and brown paint on the box and let it dry. In the meantime, punch the flowers out of the box Coloured paper. Use the only five-petalled flowers, large ones in pink and small ones in pink Coloured paper.

Stick the small ones into the large flowers. Stick them individually or in pairs to the painted branches on the box. Cut two tapesAcetate ribbon and from glue them into the inner edge of the lid so that the tapes are opposite each other. Tie a bow on the lid and decorate it with a flower.

Mug

First clean the cup thoroughly, it must be free of fat.

First paint the rough branches with the Strich-Ex pencil and then the flowers on the cup. This pen can be corrected with a damp cloth if necessary.
Start by colouring the flowers from light to dark and finally the branches.
Then trace the contours with the contour pencil
Bake the colours in the oven at 160°C for 30 minutes, after that they are dishwasher safe and you will enjoy them for a long time
