Anleitung für ein dekoratives Vogelnest

Instructions No. 1074

Difficulty: Beginner

Working time: 15 Minutes

With only little effort you can create a natural looking bird's nest within a short time. It gives your table decoration in spring that certain something and will certainly give you pleasure for a long time.

What do I need for a decorative bird's nest?

For this handicraft idea a natural looking bird's nest was used. Small decorative birds and eggs are arranged on it. If desired, handicraft materials like Feathers and other natural decorations can be used for the arrangement. All accessories are fixed with hot glue.

How do I make a bird's nest?
The bird's nest is first filled with birds' eggs. Each decorative egg should be fixed with the hot glue gun so that it stays in its intended place.

Now the birds are glued on. One decoration bird should be fixed elevated in the back part of the arrangement, the other two birds should simply be glued at two more points in the front part, so that they are arranged as a triangle.

What other craft materials can I use for a bird's nest arrangement?
The bird's nest can be decorated with natural Feathers, willow catkins, moss or jungle grass.
