Maritime and romantic at the same time - no problem! Decorate maritime Article from **wood** like our **decorative sign "Fish" and the Tealight holders** "Lighthouse" romantic in pastel blue with a Napkin in rose optics. With these instructions, rebuilding is very easy and requires no previous knowledge. It is best to try it out right away.

Handicraft instructions for maritime decoration:

How do I tinker the lighthouse in the hip Pastel-Blue ?

The Tealight holders "lighthouse" is primed with white paint. The colour is applied evenly with a brush or with a Paint sponge . Then let the lighthouse dry well, preferably overnight. In the same way you also prime the matching decorative sign "Fish"

How do I get the pretty motifs on the wood?

For the romantic rose pattern, use a Napkin and stick it onto the wooden surfaces with Napkin varnish . As soon as the Napkin varnish is dry, you can cut the opening of the lighthouse freely with a scalpel. Finally, make two fine bows and glue them on with hot glue as a special decoration.

How do I get the decorative lighthouse to light up?

As "light" of the lighthouse a suitable Glass for tea lights is decorated on the edge with self-adhesive Lace ribbon . Finally, place the glass in the recess on the lighthouse. This light gives the whole decoration idea an additional very romantic character.
