

Autumn wreath with crêpepaper

Instructions No. 3081

Difficulty: Beginner 

Working time: [6 Hours](#)

This beautiful **autumn wreath** consists of a polystyrene ring, that has been decorated with leaves made of **crêpepaper** and wooden pendants. Our template for the leaves is easy to transfer and the leaves decorate the wreath beautifully in this idea.

transfer the templates for the leaves to crêpepaper and cut them out. Glue the bottom edge of each only onto the polystyrene ring using handicraft glue and arrange the leaves close together to create a three-dimensional look. This gives the wreath a nice three-dimensional look.

Paint the wooden pendants according to your ideas and glue them to the wreath. The wall plate holders are ideal for hanging. Glue them to the back of the wreath with a little hot glue.

The beautiful autumn wreath is finished!
