Bags with die-cut motifs

Instructions No. 3235

Difficulty: Beginner

Working time: 2 Hours

Are you looking for a creative and practical way to **customize** your **cotton bags**? Then this DIY-Project is just right for you! In our step-by-step instructions, we show you how to turn a simple cotton bag into a real work of art using punched felt motifs such as **bunnies and moons**. Our online store has everything you need for the project. Let your creativity run wild and bring your own designs to life!

Design creative cotton bags: A DIY-Project for craft fans

Step 1: Create felt punch motifs

Take felt in your favorite colors and use the Sizzix punching machine to cut out bunny and moon motifs. The Sizzix punching machine is a practical tool that allows you to cut out a wide variety of shapes from Paper, fabric or felt quickly and precisely. If you are not yet familiar with the machine: Place the felt on the punching template and then between the two mats, feed them through the machine and watch your perfect motifs emerge.

Step 2: Sew on the motifs

Position the punched out felt bunnies and moons on the cotton bag. Use a sewing machine or sew by hand to attach the motifs to the bag using a decorative zigzag stitch. The zigzag stitch not only only ensures a firm hold, but also adds visual texture to the design. Make sure that the motifs are well distributed to create a harmonious overall look.

Step 3: Fill and seal the bag

Once the felt motifs are securely sewn on, it's time to fill your bag. This could be anything from small gifts to sweets. Once you have filled your bag, gather the ribbon at the back and knot it securely to secure the contents. Make sure the knot is strong so that your bag stays securely closed.

Step 4: Finishing touches with embellishments

For that extra sparkle, wrap a organza ribbon: around the knot or tie a decorative bow. scatter decoration, such as flowers can be attached to the bag as an additional highlight. These give your bag even more charm and make it unique.

Now it's your turn: design your personal cotton bag and express your individual style! You can find all the materials and tools you need in our online store. Make your project a highlight and share your creative success with family and friends.
