Instructions No. 2980

Difficulty: Beginner

Working time: 1 hour

Create beautiful decorations for spring. It's easy with the illuminated **"Hasendorf" plug-in decoration** and the two cute wooden **bunny figures** with illuminated noses.

This is how you create the bunnies:

First paint the body of the **wooden bunnies** with your favorite **VBS craft paints**.
To get straight lines, you can mask them off with **crepeadhesive tape** and dots can be easily applied with a **bamboo skewer**.

Once dry, wrap the **jute ribbon** around the body and close with a bow. If it still slips a little, you can fix the ribbon with a few drops of **VBS handicraft glue** with a few drops.
Finally, glue on the **VBS mini bows** with handicraft glue and Stups, the shiny Easter bunny, is ready!

This is how you design the bunny village:

Paint the individual parts of the **VBS wooden "bunny village" motif** as desired using the **VBS craft paints**.

Once the paint has dried, stick the parts together using the instructions.
