Bunny bags

Instructions No. 3013

Difficulty: Beginner

Working time: 2 Hours

Aren't these **cute bags** adorable? These cute **bunnies** are very easy to make using cotton bags and our **templates**. And they're practical too! Filled with Easter eggs, sweets or small gifts, the little bags are also perfect as a little surprise for your loved ones.

This is how the Easter bags are made:

transfer the **template** for the ears onto the **craft felt** and cut everything out. The sublimat pen is very suitable for transferring, as the violet color liquid of the pen is self-extinguishing It can be easily washed out with water or removed with a damp cloth.

Glue or sew - depending on what you prefer - the finished ears, the **felt balls** and the **wobbly eyes** on. Now you can paint on the mouth, eyelashes and eyebrows. Then twist the **whiskers** on a bamboo skewer and stick them into the felt balls.
