Candy dispenser from terracotta pots

Instructions No. 2104

Difficulty: Beginner

Working time: 45 Minutes

Watch out for sweet tooth: Our **candy dispenser** can be made quickly with just a few materials and will delight both young and old when tinkering and snacking. Your sweets are stored in style and are an eye-catcher in your home. Also great as a **gift idea** for the next **children's birthday party** or for those with a sweet tooth.

The candy dispenser is made that easy:

First you paint the **clay pot** and the **saucer** in your desired colour. Our **VBS handicraft paint set "Bonbon"** is particularly suitable for this purpose, as the colours are perfectly matched.

Now you can design the **tealight glass** with a handlettering and then glue it with hot glue on the upside-down clay pot. Now paint a wooden egg and a wooden ball with handicraft colour and glue them on the saucer or the clay pot.

Finally, you can fill the candy dispenser with with sweets.
