Chess and checkers

Instructions No. 2631

Difficulty: Beginner

Working time: 48 Minutes

Are you still looking for a nice **gift**? Then our **homemade checkers/chess set** is just the thing! In the practical painted box, the pieces also have a place to be stored.

Storage box:

Pre-draw a chequerboard pattern (8 x 8 squares) on the lid of the largest box and then paint them alternately with two colours. Tip: for particularly straight edges, it is best to use Washitape to mask them off!

Outline the outer edge of the board with a micron fineliner. Draw game pieces on the sides of the box, outline and add white highlights.

For practical separate storage of the different game pieces, place 2 bags in the box.

For the chess game:

Chess pieces:

Pawns: 1 mini wooden spool each with a wooden ball 10 mm.

Rooks: 1 thread spool 2.2 cm each

Bishops: 1 piece cone each

Knight: (from bottom to top) hemisphere, large scatter piece, mini wooden spool, ball 15 mm and ball 10 mm in front of it

Queen: (from bottom to top) 2 medium scatter pieces, olive, 1 medium scatter piece, ball 10 mm, 2 small scatter pieces

King: (from bottom to top) 2 medium scatter pieces, olive, 1 medium scatter piece, mini wooden spool, 1 medium scatter piece, 2 small scatter pieces

Glue the individual elements of the figures together with craft glue No. 182. When dry, paint the figures as desired with craft paint.

For the checkers game:

Checkers:

Glue two large scatter pieces and one middle one on top of each other for each stone. Now paint the stones in two different colours. A total of 24 stones are needed. 12 per colour.
