Christmas arrangement with floristry

Instructions No. 3133

Difficulty: Beginner

Working time: 1 hour 30 Minutes

Christmas time is the perfect opportunity to decorate your home in a festive way. Today's craft project is a Christmas bauble with flowers, ideal as a table decoration or as a special gift. Follow our simple step-by-step instructions and create your own Christmas arrangement with floristry.

Step 1:
Loosen the Christmas bauble suspension First, carefully loosen the Christmas bauble suspension. Be careful not to damage it, as we will be working on the bauble later.

Step 2:
Shorten and arrange the flowers Now take some flowers from your Christmas arrangement and shorten the stems using side cutters. This will ensure that they fit perfectly into the opening of the Christmas bauble. Carefully insert the shortened flowers into the bauble until you are happy with the arrangement.

Step 3:
satin ribbon tie around the opening To embellish the opening of the bauble a little, tie a piece of satin ribbon around the edge. This gives the ball an extra elegant touch. Choose a color that goes well with the flowers and the entire arrangement.

Step 4:
Place the-willow decoration on the bark slice Place the bark slice in front of you and place some-willow decoration on it. The deco-willow serves as a base and creates a nice foundation for the next steps.

Step 5:
Attach the Christmas bauble and glass for tea lights Take the prepared Christmas bauble and a glass for tea lights and attach both to the bark slice using hot glue. Make sure that the bauble is stable and the glass for tea lights is firmly anchored.

Step 6:
Decorate with flowers and Iceland moss Now it's time to decorate! Add flowers and Iceland moss to give your arrangement the finishing touches. If necessary, you can also fix smaller elements with hot glue to ensure that everything stays in place.

Step 7:
Place the LED tea light Finally, place an LED tea light in the glass for tea lights. LED tea lights are a safe alternative to real candles and still provide a warm, cozy atmosphere.
