Christmas Wreath Made of Fröbel Stars

Instructions No. 4156

Difficulty: Advanced

Working time: 2 Hours 20 Minutes

With " paper strips "—featuring musical notes, lettering, and dots—you can create an elegant Fröbel star wreath for the Christmas season. The paper stars are perfect as door or wall wreaths, table decorations, or tree ornaments. These instructions are ideal if you love paper stars and are looking for an advanced project.

1) Folding Fröbel stars

Fold 12 Fröbel stars following instructions No. 3175.

2) Assemble the stars into a wreath

Then interlock the stars to form a circle. Additionally, glue the stars together with a little handicraft glue to ensure the wreath stays sturdy and nothing slips out of place.

3) Tie on a satin ribbon

Finally, tie a satin ribbon of your choice around the finished Fröbel star wreath and hang it up as a Christmas decoration.

Now it's your turn! If you're looking for more paper stars and Christmas craft ideas, stop by our online shop and discover the perfect paper strips, ribbons and accessories for your next Fröbel star wreath.
