

Classic X-Mas Letters

Instructions No. 1678

Difficulty: Advanced 🍴🍴🍴🍴

Working time: 30 Minutes

X-Mas is so beautiful! Enjoy the **handicraft fun with Napkin technique** and design cardboard letters to a timelessly beautiful Christmas decoration.

Primer

In order to show off the napkin motifs to their best advantage, the letters are primed in two different colours: in addition to classic **white** , the **Christmas colour is mixed from** the colours Carmine Red and aubering.

The large areas of the X are painted red, the sides white. All other letters are primed white or red on the sides.

Napkin technique

Now select napkin motifs , try out the effect on the letter in advance. Cut the individual motifs to size, remove the lower white paper layers from the napkin parts and apply the napkin with a brush and **Napkin varnish** the white areas of the letters.
