Coaster Bunnies

Instructions No. 2408

Difficulty: Beginner

Working time: 3 Hours

Nothing beats a nice **Easter brunch**. Our decoration is a great eye-catcher. These **cute bunny coasters** are made with few materials and sweeten your table decoration. The selected fabric gives the bunnies an additional personal touch.

Create the cute bunnies as follows:

Glue the **sisal cord** together in a spiral shape with hot glue.

Cut approx. 15 cm off each ear from the cord and glue it to the coaster as an ear. Stick **fabric** on the back (craft glue is also suitable for this). When dry, cut back any excess fabric.

Cut rectangles of different sizes for the **bows**. It is best to cut on two sides with pinking shears so that the fabric

does not fray.

Gather in the middle with needle and thread and glue the finished bow onto the coaster.
