Decorate a Candle with Wax Designs

Instructions No. 4092

Difficulty: Beginner

Working time: 30 Minutes

With this idea, you can transform simple pillar candles into festive Christmas candles in no time. When designing the candles, add delicate wax motifs and small accents that make an immediate impact on the table, on an Advent wreath, or as a gift. You decide whether the look will be classic, whimsical, or modern, and you can easily adapt each designing candles to match your decor.

1) Decorate a candle with wax sheets

Use the cookie cutters to cut out various designs from the wax sheets and place them on the candle. Gently press the designs into place. Repeat this step with all the designs you want to use.

2) Add the finishing touches with a candle liner

Now you can use the Candle Liner to add small dots or other decorations to the candle. You can also enhance the designs, such as the gingerbread men, as shown in the picture.

3) Placement

Once you're happy with the design of your candles, place them on the candle plate. It's that easy to create personalized winter candles that cast a warm glow and bring a wintery atmosphere into your home!

Now it's your turn! In our online shop, you'll find more candle design ideas and materials for your next craft project.
