Design a maritime treasure chest with the napkin technique

Instructions No. 1596

Difficulty: Advanced

Working time: 45 Minutes

This **treasure chest** has a trendy **maritime** design. Ideal as a great decorative object in your home and as a gift of **money** for birthdays, weddings and much more.

The treasure chest is first **prime**Handicraft paint **d** with white so that the Napkin is well expressed. The colour is evenly applied with a brush or with a **Paint sponge** applied.

For a maritime look, use a **maritime napkinand** remove the two layers of unprinted paper. Then place the printed layer of Napkin on the chest as desired, very easy to do with **temporary spray glue.** Now the Napkin with **Napkin varnish** fix it, cut back the excess Paper with the scalpel after drying.

Paint the sides of the lid of the chest with Handicraft paint in Navy blue Leave out the struts. Finally, decorate the treasure chest with a **nautical shaker**, paint the shaker a little bit in shabby look in Navy blue .
