Easter in country house style

Instructions No. 255

Each of these country style eggs is a small work of art. With the nostalgic photos and the elegant rosettes they look very elegant. They are all designed with the same simple basic technique, which is slightly varied in each case only It is important that the individual pieces of paper that are glued on are not too large, otherwise too many folds will be created when gluing on. But Straw silk paper and Co. can be torn wonderfully and are thus wonderfully suitable for this handicraft work.

It's as simple as that:

1. Egg with fibre silk

Place small pieces of the brown fibre silk on the egg, stick Straw silk paper and Napkin varnish over the complete surface. After drying, wind the ribbon around the egg using-Ribbon tape and fix it in place. Cut out a circle of Ø 4 cm from cardboard or Craft cardboard sheet . Fix the ribbon with hot glue

2. egg with Feathers

Feathers on the egg put, over it the Straw silk paper with Napkin varnish stick on. After drying, stick the 25 mm Organza ribbon around the egg. wrap Cord around the egg, fix it with hotmelt glue dots and knot it. Tie a loop from the 40 mm wide Organza ribbon and glue it with hot glue to the knot of the Cord .

3. Egg with photo and stamp motif

The Straw silk paper with Napkin varnish stick on. Stamp on a border with dark brown stamping ink, after drying wipe over the egg with nougat brown stamping ink. Stick a narrow orange ribbon around the border. Glue a photo print on cardboard and cut it out, emphasize the edges with Ink Pads . Glue the frilly Acetate ribbon behind the picture and fold it back. Glue the tip on the front and Cord around the picture. Fix the finished motif in the middle of the border.

4. The Patch Egg

Tear both Décopatch papers into small pieces, glue a wide border of the notes, fill the rest with crackle. After drying, glue Straw silk paper over the entire surface. glue Acetate ribbon and tip around the egg. Glue a photo print on cardboard and cut it out, emphasize the edges with Ink Pads . Glue the frilly lace and Acetate ribbon behind the picture. Fix the finished motif in the middle of the border.

5. The "Flower Nature" egg

Cut the Natural paper into small pieces and glue it on with Napkins lack. After drying, glue the Acetate ribbon and the tip around the egg. Cut a circle Ø 4 cm out of cardboard, fix the Acetate ribbon in frills with hot glue. Glue on a gemstone and lace, stick the finished rosette in the middle of the border.
