Elves with colorful hats

Instructions No. 3088

Difficulty: Beginner

Create decorative works of art from **casting slip**. ArteBianco casting slip is weather and frost-resistant, making it ideal for outdoor objects. Our cute gnome gang is a great eye-catcher!

Mix approx. 3 tablespoons of ArteBianco casting compound with water according to the instructions on the packet to form a creamy mixture and pour it into the full Wichtel mold. After approx. 8 hours Time to dry: you can slowly remove the gnome from the mold. Leave the casting to dry for approx. 28 hours.

For the gnome with the golden hat: Apply the pasty gold leaf priming milk with a brush and leave to dry until transparent. This takes approx. 20 minutes. Now apply leaf metal and press it on carefully with the synthetic brush.

you can wipe off any excess leaf metal after application with a soft brush. leave to dry for 24 hours.

Paint the other elf hats with craft paints in the color of your choice.

Tip: Collect the leaf metal on a surface, it can still be used later!
