Instructions No. 2447

Difficulty: Beginner

Working time: 1 hour

These beautiful **pieces of jewellery** have something magical about them. The **glitter filling** makes the wearer of this necklace glitter enchantingly and, together with the pendants and labels, creates an impressive piece of jewellery. A delightful jewellery accessory that is quick and easy to make.

This is how you create the necklace pendants:

Fill the **bottles** with the **Glitter Glue**. Twist the eyelet into the cork and then use it to close the bottles.

Cut a small piece of the **anchor chain** and connect it to a pendant with **ringlets** at one end, attach it to the eyelet of the vial at the other end.

Add ringlet and clasp to chain of any length.

Cut small **tags** from the kraft paper and write on them. Stick these onto the bottle with double-sided adhesive tape.
