Fliesen-Gießen mit Wintermotiv

Instructions No. 1821

Difficulty: Beginner

Working time: 45 Minutes

Are you still looking for an original Christmas decoration? Tile painting is fun and not difficult. With this original Christmas decoration you are guaranteed to create real eye-catchers.

DIY tiling yourself

With self-made tiles, you determine what material a tile is made of and what format it has!

To pour the tiles, fill the mixed mixture with **Casting compound** according to product instructions into the **Casting mould "Tile**. After about **30 minutes**, the relief casting compound is dry enough to be further processed.

Should the casting of your own tiles be too laborious for you: Choose finished tiles as a basis for your design.

Stencil tiles

Choose one **Painting stencil** and spray them on the underside with **Spray glue**. So you can position them Stencil perfectly on the tile without it slipping.

Use for the Stenciling porcelain paint. These are applied with a brush **(sponge brush)** .use **Porcelain paint** according to your personal taste.

The finished tiles are ideal as decorative personalized Coaster. with names they can be used as Christmas place cards.

The perfect look to give away

The finished tiles should be given away? Bind your self made tiles with a decorative **Cord** together, add a bow, a little green and a small bell to the package - and your souvenir is ready!
