

Frühlingshafte Teelichter mit Streublumen

Instructions No. 540

Difficulty: Advanced 🍴🍴🍴🍴

Working time: 20 Minutes

Above one of Meadow blooming Felt colorful flowers on green wire stems. With or without tea light, this playful spring decoration brings fresh colour into your home.

Instructions

Dab the Glass and porcelain paint on the tea light glasses, let it dry and put it in the cold oven.

Heat the oven to 160°C and burn the Glass and porcelain paint for 30 minutes after reaching the temperature

Let the glasses cool down in the slightly opened oven.

In the meantime, cut a light green and a dark green felt strip for each glass (approx. 17 cm long).

Cut serrations into the felt strips and stick the dark green strips around the glasses with hot glue

Cut six 13 cm long pieces of aluminium wire per glass and fix them with hot glue on Felt .

Bend the wire at the top and glue the Embellishment .

Then glue the light green felt strips over the wire stems.

Glue 3 mm wide Satin ribbon with tape Ribbon on the wide white Satin ribbon , tie a loop around the wire sticks with both together.
