Gift carrot for Easter or as a sibling bag

Instructions No. 243

Difficulty: Beginner

Working time: 20 Minutes

A funny idea for **Easter** or for **school enrolment as a** sibling bag: the gift carrot is made with the practical one. You cut the individual parts and close them with green and ribbons Felt .

Tinkering with bags is very easy!

With the help of Stencil you can easily make a paper bag yourself. The outline of Stencil is transferred with pencil to Craft cardboard sheet , the folding lines are traced with the folding leg.

The Felt is cut large and glued to the inside of the clay box with hot glue. Simply apply double-sided Adhesive tape to the glue flaps and glue the "carrot" together

Design the gift bags with personal name tags!

The name tags are cut out of Craft cardboard sheet and threaded onto the checkered ribbon. Then the bag rosette from Felt is cut with scissors and the bag is closed with a check ribbon. The name plate is also attached to this Ribbon .

For the decoration, a thick bow is tied from Acetate ribbon and checked ribbon, which is simply stuck on with hot glue. With a flat Ink Pads easily wipe over the Craft cardboard sheet . Thereby the "carrot" looks almost like freshly harvested

According to personal taste, the carrot can be stuck with suitable strawberry pieces.

This idea is timelessly beautiful!
