Glittering houses

Instructions No. 2077

Difficulty: Beginner

Working time: 1 hour 30 Minutes

These little glitter houses are a great decoration idea for the Christmas season. They are also quickly made with few materials. Try it out right away.

Cut from the **Motif cardboard** close strips of approx. 1 to 1.5 cm wide. Print out the **free template** and fold the houses accordingly. Glue another strip on the lower Paper strips one

Make a hole in the top of the roof, for example with a thick needle. Pull a **string** through it and fasten it with a knot. Stick the stickers on both sides of the lower end of the string (directly above the roof)

Use the template to cut the fir trees. 2x each Fir . These are glued to each other with **double-sided Adhesive tape**glue.

Fix the firs with **Handicraft glue** in the house. Finally, write Christmas greetings or words on cut these Paper, and stick them to the houses.
