Hanging birdhouses

Instructions No. 1482

Difficulty: Beginner

Working time: 1 hour

With only little effort, the small decorative bird hunters become miniature beach houses or garden houses. By the ingenious suspension you work like a small decoration swing.

That's how it's done:

For this decoration idea you need a wooden board in the size 50 x 14,5 cm. First drill holes in the corners of the edges for later hanging. The wooden board is primed with white paint.

Paint the bird houses. Start with the application of the lightest colour first: the edge of the roof and the bird's rungs are painted white, the house walls in different colours of the set, for the roofs a greyish shade is mixed. The

openings can be additionally decorated with a black Fineliners with small dots.

Maritime beach houses

For maritime decoration, the edge of the wooden board is covered with double-sided Adhesive tape . On this Adhesive tape the small blue-white decoration fence is fixed. Maritime Embellishment give the decoration that special something

For the suspension a jute cord is pulled through the drilled holes and fixed at the bottom by a knot. The length of the Cord depends on the height of your hanging hook. The two Cord strands of a wooden board page are each pulled through a Wooden ball , knotted together and hung up
