Instructions No. 1062

Treat yourself to a romantic Easter decoration. These birdhouses and Easter eggs are lovingly decorated with some paint, fabric and Lace ribbon . The crafting of the Easter decorations is very easy!

And it's that easy:

How do I make romantic Easter eggs?

First, put a hanger on your Easter eggs . For this purpose, a very nice and narrow coloured Satin ribbon. is suitable. Now simply pack some eggs in approx. 12 x 12 cm large Fabric cuts . The fabric is simply bound together with a narrow Satin ribbon and a small bow is added. The remaining eggs are primed in light blue, yellow or another spring color

Matching the eggs, the birdhouse roofs are painted in the same colours. Then carefully wipe some beige paint on the eggs and birdhouse roofs with a small sponge. This creates a delicate wipe look, which is particularly harmonious with the romantic look of the decorations. After the paint has dried, the painted eggs are decorated

using double-sided Adhesive tape with lace and Satin ribbon . With a black Fineliners , fonts and contours are now painted on Easter eggs . With narrow Satin ribbon small bows can be bound and glued to the eggs.

How do I decorate the bird houses?

After the roofs of the bird houses have already been painted together with the Easter eggs, the finishing touches are now being applied. Simply paint small curls and dots on the houses with the black Fineliners as you wish. The edges and corners are also carefully painted, very little blackened - and you have already created small individual unique pieces.
