Kosmetiktücherbox im Landhaus-Stil

Instructions No. 984

Cosmetic tissues can be found in just about every bathroom. Instead of hiding them, you can decorate them in a box. Beautifully designed like here in the current country house style, you always have the towels at hand and a beautiful bathroom accessory to go with them.

And it's as simple as this:

Prime the box in white and let it dry. Cut out the Napkins-motifs and stick them onto the box with the Napkin varnish When the paint is dry, accentuate the edges by drawing with the brush along the edges with the dark paint.
