

# Little snowmen made from bark slices

Instructions No. 712

Difficulty: Beginner 🍃🍃🍃🍃

Working time: 10 Minutes

**These little snowmen are made of bark slices** and completed with small beads and a cylinder. Also a great gift idea!

Especially in the winter, **handicraftNatural materials** are especially beautiful. When the scent of cinnamon sticks, orange slices and star anise is scented, you will get into the Christmas mood all by yourself.

**And it's as simple as that**

- Glue the bark slices together with hot glue.
- Stick small branches on the back and a cylinder on the head.
- Glue on eyes and buttons made of wooden beads and make a nose out of Felt.
- Finally, paint on the face and tie some natural bast as a scarf.
