Plug-in motifs for a winter landscape

Instructions No. 2853

Difficulty: Beginner

Working time: 2 Hours

Here we have put together three **plug-in motifs** to create a **beautiful arrangement**. With handicraft paint, decorative snow and a little absorbent cotton, you can create a pretty winter landscape for your home. See for yourself how easy it is to make!

This is how you create the beautiful winter scene:

Paint the **VBS wooden plug-in motifs** with your **favorite colors**. The craft paints are ideal for this VBS Craft paints. **Tip:** The paint can be applied to narrow areas with a bamboo skewer.

After drying, glue the motifs together with something **VBS handicraft glue** together. You can use the **VBS decorative snow liner** to create 3D accents and decorate the motifs.

For a beautiful glow of light, we have attached a **chain of light** to the back of the VBS Wood-building kit "church aisle".

Finally, place **some absorbent cotton** on the motifs as snow.
