These instructions are a typical example of the use of the hobby

You need a silk scarf Pongé silk, in Gold, one Dosing tip in 0.5 mm, one Tensioning frame, an extension set for this one Embroidery twist, golden Tensioning frame, oriental Cord, accessories such as small mandalas, crepe and-Adhesive tape hot glue.

Preparation:

In the first step, the one Tensioning frame with the extension set is mounted approximately to the size of the silk scarf and taped with crepe. Moisten the silk scarf, iron it, then fix it on the frame with tensioning needles. Tighten the frame until the silk is taut
Before painting, also prepare the Contour Liner-liner by writing it Dosing tip firmly on the liner. Download the motif template, place the template under the silk and fix it

Interesting facts about painting with Gutta paint

Gutta lines serve as a separating agent between the individual silk painting surfaces. In coloured version they are visible contours, transparent gutta can be washed out without residue after silk fixation. When painting the gutta contours, care should be taken to ensure that the silk is not damaged by the Dosing tip "separation line" and that the gutta really soaks through

the silk fabric so that no silk paint really seeps through
this "separation line" later
