Self-sewn cat cushion

Instructions No. 1617

Difficulty: Beginner

Working time: 40 Minutes

This pretty cuddly cushion will not inspire only cat lovers! The advantage of self-sewn cushions: Motif fabric and filling can be chosen individually. The sewing project is also suitable for sewing beginners - the cushion is just a few steps away at only .

Success in a few steps

Download the **motif template**. This consists of two template parts: the DIN A4 printout shows you the Pattern of the half cat's head in original size, the DIN A3 printout shows you the Pattern for the half cat's body including tail (both will be cut in one piece of cloth.) Glue both templates (head and main part) together. The cat has a height of 48 cm without ears.

Place the Motif fabric in front of you in longitudinal direction, lay it right on right (printed motive is inside) and transfer the two template parts of the cat motive once with tail and mirrored at the cat center without tail on the double laid fabric. Here it is helpful to fix the fabrics and the Pattern before with Pins . Now you can **cut out** the two **cats-Fabric cuts with about 1 cm seam allowance.**

Both pieces of fabric are now **sewn together** except for a small opening at the bottom of the cat's tail **and then turned to the right.** With a Stuffing tool or with a simple wooden spoon you will surely succeed in stuffing the cat cushion with filling cotton wool in such a way **that** it is firmly held. Finally, only is sewn up the small opening and a decorative bow is tied around the neck. A small sewn-on clip gives the cat pillow that certain something.

Dear sewer, as fabrics are seasonal goods and we always want to have trendy fabrics in stock for you, it can happen that the sewn fabric is no longer in our range.
