Serviettenhalter im Landhaus-Stil

Instructions No. 1008

Napkins can be stored decoratively in this stand. The beautiful, different motifs are far too good to disappear in the drawer. If you use this stand and put them in scene, not only only will have a fantastic decoration but also always Napkin .

And it is as simple as that:

Prime the napkin stand in white and let it dry. Cut the Motif straw silk to size and stick it onto the stand with the Napkin varnish . Pick up the dark color with the Bristle brushes and accentuate the edges by drawing the flat side of the brush over them.
