Teebox mit Fadenspanngrafik

Instructions No. 666

Difficulty: Advanced

With this beautiful tea box you can see immediately what is in it. The word "TEA" is placed over the stencilled motif with a large thread tension graphic - with simply Embroidery twist criss-crossing within the contours of the decorative-Needles.

Here's **how it works**

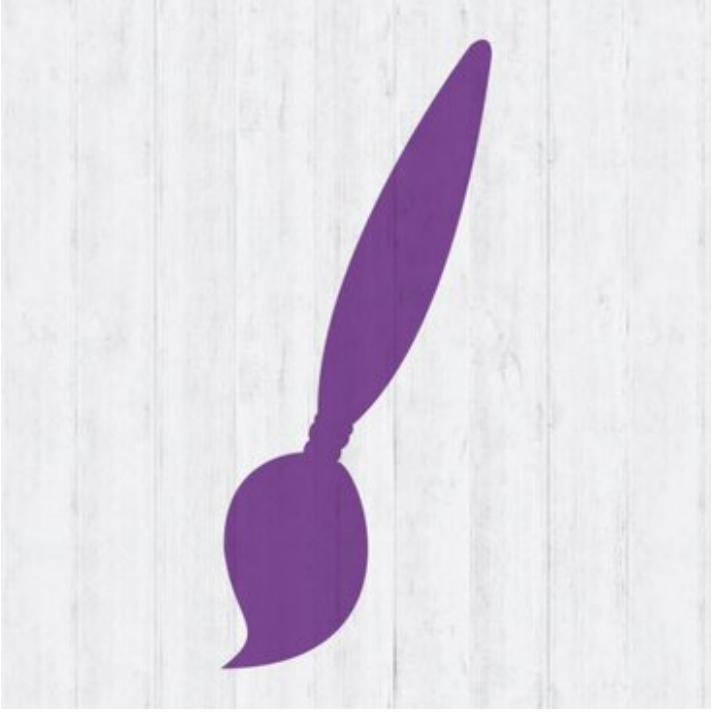

Wipe a mixture of Ivory and Old Pink with an Paint sponge onto the tea box and let it dry.
Spray the back of the Stencil with removable adhesive, let it flash off briefly.
Place the Stencil on the lid and paint it, then dab on the ivory motif.
Remove the Stencil immediately and clean it under running water.
Cut out the letters from the pattern and transfer them onto the lid of the tea box with the line-ex pen with a 5 mm gap.
Mark the positions of the Needles , then carefully tap the Needles with the hammer.

Knot the bead yarn on a needle and cover the letters criss-cross with bead yarn.
At the end knot the Yarn again on a needle.
