VBS Craft kit "Spring flowers"

Instructions No. 3246

Difficulty: Beginner

Working time: 1 hour 30 Minutes

The **"Spring flowers" craft set** is a great set of figure cones, foam sheets and wobbly eyes, that is ideal for children or adults who like to be creative. The pre-drawn flower wreaths and leaves make crafting easier. The crafting set is a beautiful **spring decoration** and also makes a wonderful gift.

You can make **five spring flowers** with our craft kit. In addition to the materials included in the set, you will also need only scissors, glue, a fineliners and pink acrylic paint (e.g. VBS handicraft paint in old pink).

It's so easy to make spring flowers:

1. Step

First cut out the printed flower and leaf motifs from foam sheets . We have opted for one wreath of flowers and two leaves per figure. However, you can work however you like here; combine two flower wreaths together, for example. Work tone on tone or colorful, there are no limits to your creativity.

2. Next step

The next step is to paint on the faces. To do this, draw a wreath of flowers on the figure cone so that you have a guide as to exactly where the face should be painted.
Now draw the face delicately with a pencil. Give the figures different facial expressions as in our example; draw sleeping, laughing or winking faces.

You can now remove the wreath of flowers. Then stick on the wobbly eyes and paint in all the other details with a thin fineliners . Finally, place two pink dots on the face as cheeks. The flat end of a bamboo skewer works very well for this.

3. Step 2

Now you can glue on the flower wreaths and leaves. Apply a little glue to the opening (inside) of the flower wreath and carefully pull it onto the cone head. As the foam sheets is elastic, you can easily stretch it. Simply remove any glue residue with a cloth. Finally, glue the leaves to the back of the cone.
Follow the same steps to create the other four spring flowers.

Have fun making them!

Must Have

VBS Craft kit "Spring flowers"

Content: 5 pieces
Width: 8 cm
Height: 10 cm
Material: Wood, Foam rubber, Plastic, Paper
