VBS creative set Easter Funnies

Instructions No. 1388

Difficulty: Beginner

Working time: 10 Minutes

The little rabbits and chicks for the Easter shrub are not only a great eye-catcher - the ingenious craft idea is super easy and is re-created in no time. Also ideal for the Crafting with children.

Here's how it's done

Simply**colour Acrylic balls from the inside**. For the chicks you use completely yellow, the rabbits get a cream-coloured blob (belly) in one half of the ball, the rest is painted brown.

Using the motif template, the rabbit ears **and** chick wings can be **quickly** cut out **of** Craft cardboard sheet . Simply clamp the ears and wings between the Acrylic ball-halves, which have dried in the meantime, and stick the balls

together

The eyes, moustaches and whiskers of the rabbit as well as the chick's beak are now painted on each ball. Attach the hanging ribbon - done!
