VBS creative set "Funny polystyrene bunnies"

Instructions No. 1901

Difficulty: Beginner

Working time: 1 hour 30 Minutes

This great **VBS Creative set "funny polystyrene bunny" contains** the material for five funny polystyrene bunnies**.** Additionally you only need pens / Marker and Handicraft paint, to make the eggs and paint the faces. The rabbits are about 10 x 7.5 cm.

The rabbits are good for both adults and children to tinker and beautify.

A great **decoration for Easter** for your windowsill, table or in your floristic works. The long floppy ears and funny bunnies are guaranteed to be an eye-catcher.

This is how you make the funny bunnies:

For a better stand you can use the **Polystyrene eggs** saw off something at the bottom. This makes them more stable and can be placed well as an Easter decoration

The next step is to paint the eggs in your desired colours. The best way to do this is to use **craft colours**. If necessary, paint over the eggs a second time for better coverage. Draw the faces with a pencil and then paint them

with markers or paint them out Handicraft paint

With an Fineliners eye and mouth outline or highlight. The facial features are entirely up to your creativity. How about a laughing, mischievous-looking or frightened bunny, for example?

Transfer the **templates for the ears to the** respective **Felt** and cut this one up. Cut off some wire, place it on top of the outer ear and glue the wire piece and the inner ear on top of it. Now Polystyrene Egg prick the finished ears into the top of the ear and bend them into any desired shape.
