Not the black sheep is different, but the white sheep are all the same. The src=

cute **flock of sheep is** a great craft project for the whole family. Ready made, you can embellish your table decoration, your chest of drawers or on the windowsill. This **VBS Creative set** contains the material to make cute **sheep**. Additionally you only need or Handicraft glue a hot glue gun and pens for the face. The finished sheep have a length of about 10.8 cm and a width of 8.5 cm.

That's how you get the funny sheep:

Paint the top of the Polystyrene eggs with the VBS Handicraft paint Skin Tones. If necessary, you should apply a second coat of paint to achieve a covering result. After drying, glue the surface using **hot-melt adhesive or Handicraft glue** now these Pompoms as fur to the egg.

Then you can use markers **or Handicraft paint** record the faces of the sheep. Here it is entirely up to your own taste whether the sheep should look happy, grim, laughing or cheeky. In addition, you can use white or markers Handicraft paint to paint small highlights as light reflections in the eyes.

Finally, they are glued Wooden hemispheres with hot glue or Handicraft glue provided and glued to the sheep as feet.
