Weihnachtliche Keilrahmen in Schwarz-Weiß

Instructions No. 1534

Difficulty: Beginner

Working time: 30 Minutes

Christmas is coming up soon and what could be better than a matching **Home Decoration**that's already getting you in the Christmas spirit? In this **handicraft instruction** we show you how you can create this atmospheric Stretched Canvas with a Stretched Canvas, stencil, the Viva Decor Set "Black & White" and a few tools.

First of all, take a Stretched Canvas and a Stencil of your choice. So that the Stencil does not slip, you can fix it with some crepe-Adhesive tape to the sides of the stretcher frame. To achieve the classic colour combination Black-White on the Stretched Canvas , use the Viva **Decor Set "Black & White"**

Now glue the fir tree on the Stencil using from **crepe-Adhesive tape**. Apply the white ceramic colour with a **Spatula**

and let them dry out well **Tip:** To obtain a special covering power of the paint, apply another layer of paint. In addition, applying a second layer of paint creates a fascinating 3D effect **,** making the picture an absolute eye-catcher in your home

Now remove the Adhesive tape from fir tree and apply the black ceramic paint in two layers of paint. After you have applied the paint, the Stencil from Stretched Canvas can be removed. Finally, the stencils should be carefully cleaned with warm water so that you can enjoy them as long as possible.
