Window picture "My window friends"

Instructions No. 1912

Difficulty: Beginner

Working time: 45 Minutes

The colourful window friends are already waiting to decorate your window. Thanks to the free motif template they are very easy to make and can be designed in your desired colours. A colourful Window decoration one for the whole year!

Download the free **motif template** and print it out. Place the cut-out motifs on the corresponding coloured **Craft cardboard sheet** and paint the edges with a pencil. Cut everything out. With a **Craft Punch** circles for the eyes are **punched out** of **white photo cardboard**. For the eyelids you also use circles of **black photo cardboard,** which you **push** again halfway into the punch and punch

The pupils are punched out with a **hole puncher** made of black Craft cardboard sheet cardboard. Glue the pupils, as well as the eyelids with a little **Handicraft glue** on the white circles. After drying, the eyes are glued to the figures. To attach the colourful friends to the window, you can use MUCKI **window glue**, for example. This can be removed later without leaving any residue.
