XXL Styrofoam ballerina

Instructions No. 1930

Difficulty: Beginner

Working time: 1 hour 30 Minutes

These ballerinas in XXL format do not look only magical, with a little bit of skill you can easily recreate them. They are perfect as decoration in the children's room or at a birthday party for little dancers. The ballerinas have a size of about 65 cm.

That's how it's done:

For the head of the ballerina paint the **Polystyrene ball (diameter 20 cm**) with **VBS Handicraft paint** in **Beige**. In order to achieve an opaque colour result, you should apply a second layer of paint. As soon as both layers are completely dry, you can draw **the** face with markers. The reddened cheeks areHandicraft paint painted Orchidon with in. For the bun of the ballerina **Polystyrene ball (diameter 10 cm**) painted in your desired hair colour. After the paint has dried, the bun is **fixed** on top of the head with **hot glue**. Paint the rest of the hairstyle on the head with the chosen colour

The **Polystyrene ball** with a **diameter of 15 cm** later represents the body. This is marked according to the colour of the dress with **VBS Handicraft paint** designed. Two layers of paint can also be applied here. Important: Always allow the paint to dry completely between applications

Then glue the head onto the body (15 cm ball). Then glue the body onto one half of the large **Polystyrene ball (diameter 40 cm**), which represents the skirt from dress. To make the pretty "tulle skirt", crumple individual sheets, place them around the from Silk paperhemisphere and fix them with hot glue. Repeat this until the entire sphere is completely covered

For a pretty pearl necklace you paint 9 with **VBS Handicraft paint** in **white.** So that it shimmers Chain beautifully, you can also **apply** Viva Decor **tinsel friends " "** as desired. After drying, put them Wooden balls on **wrapping wire** and place them around the ballerina's neck.
