Il periodo natalizio è il momento perfetto per **piegare le stelle**. Con le nostre istruzioni passo passo, potrete facilmente realizzare queste incantevoli stelle partendo dalla **carta da lucido** e poi decorarle a vostro piacimento. Bellissime sulle finestre e come decorazioni per la stanza.

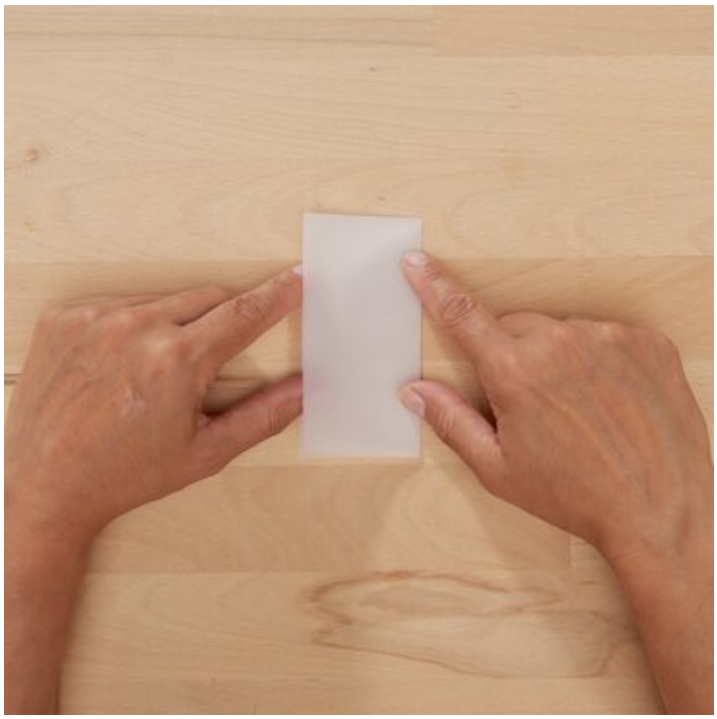

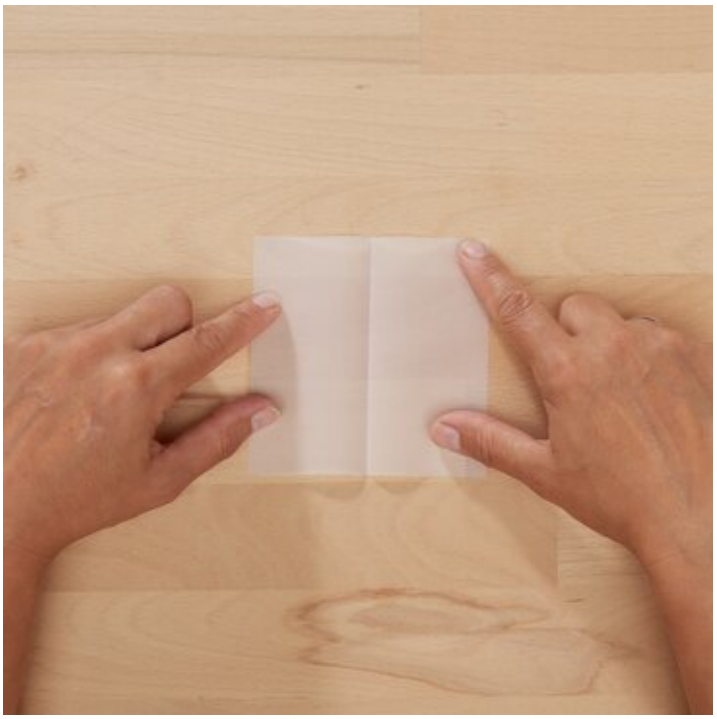

È così che nascono le belle stelle:

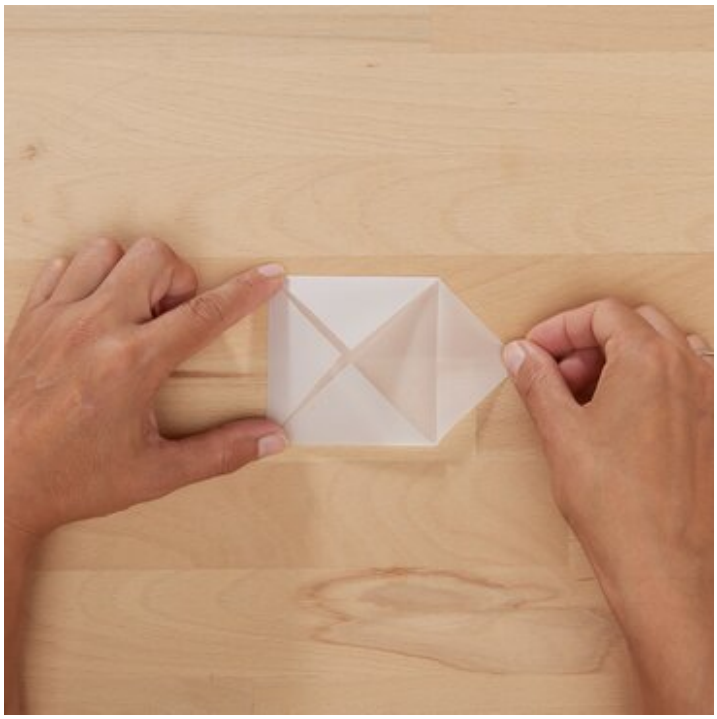

Istruzioni per piegare le varie stelle trasparenti:

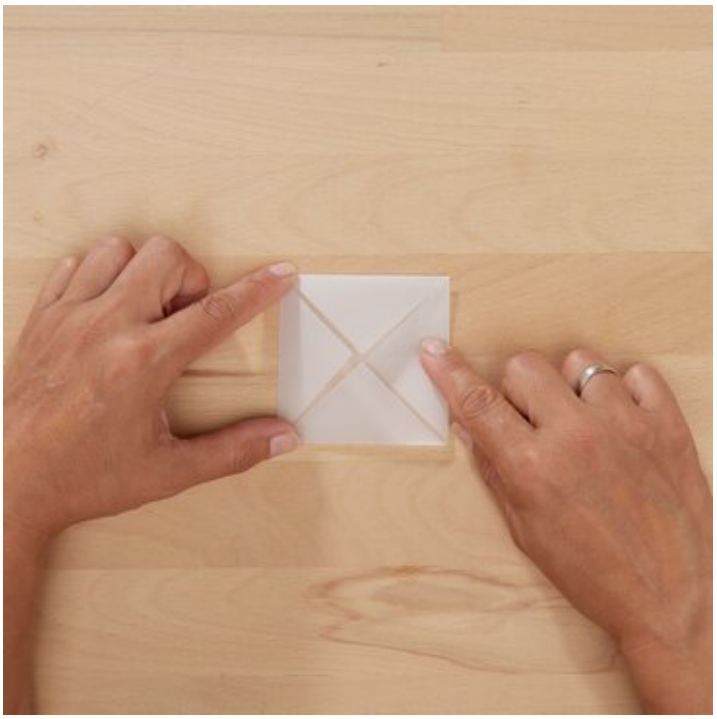

Preparate la carta giusta e seguite le nostre istruzioni passo passo:

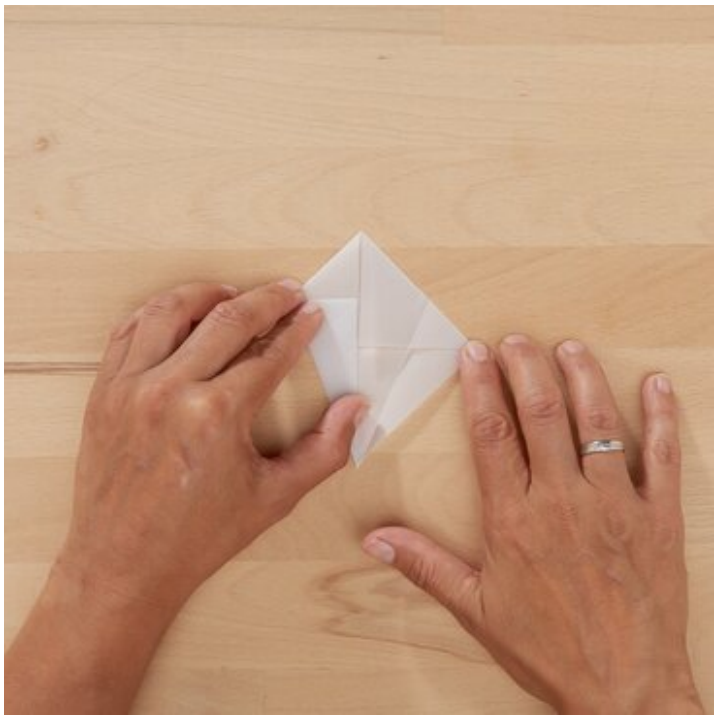

Variante di stella 1 "Small" da carte di 10 x 10 cm:

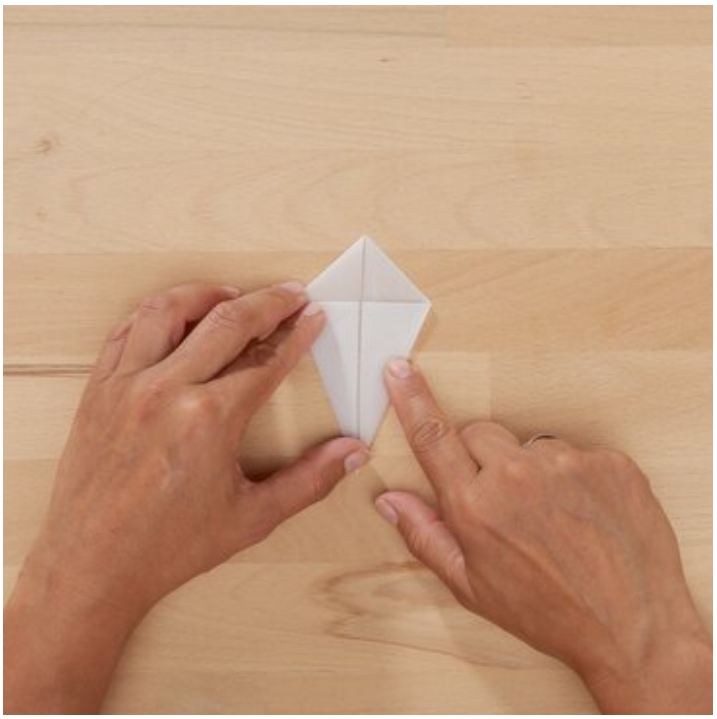

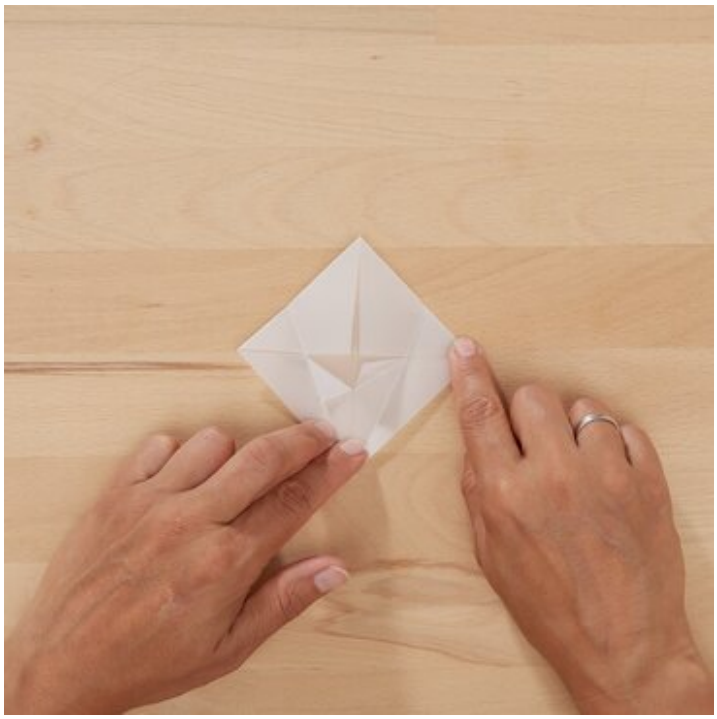

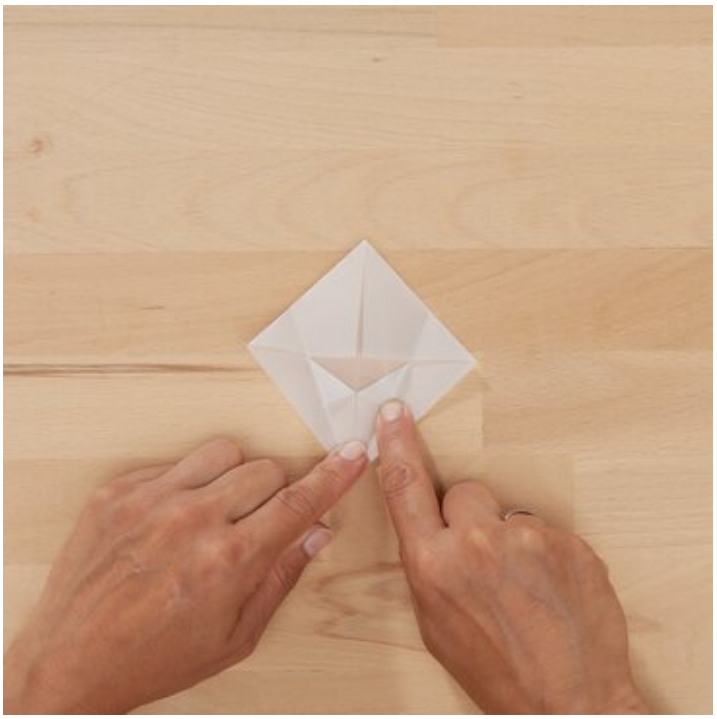

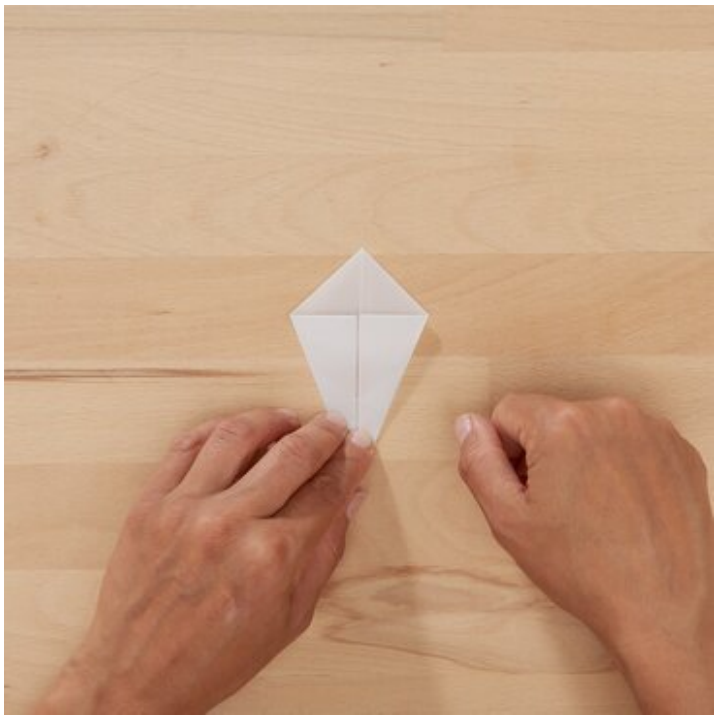

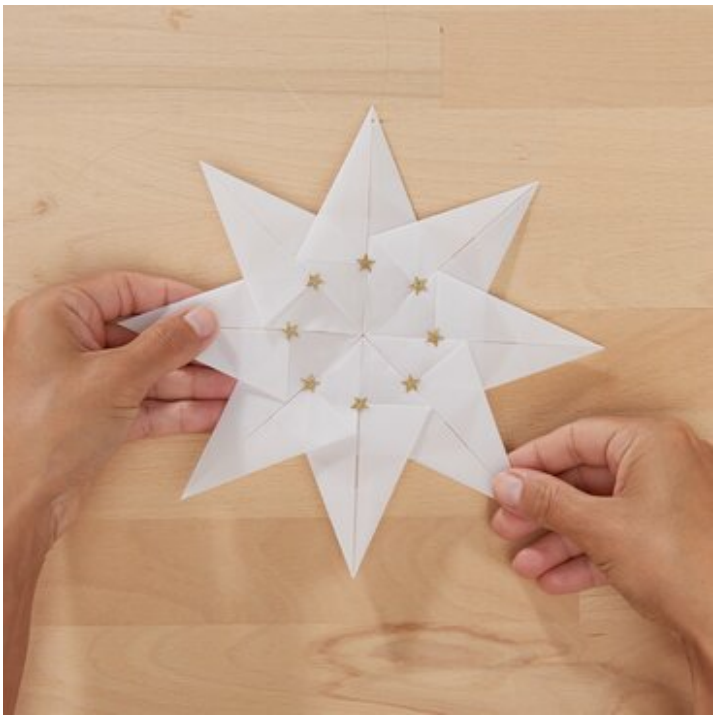

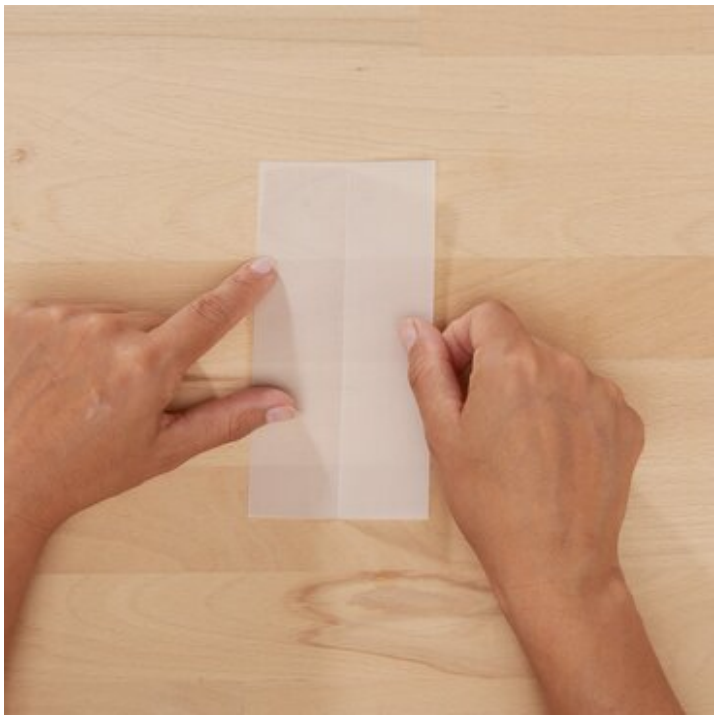

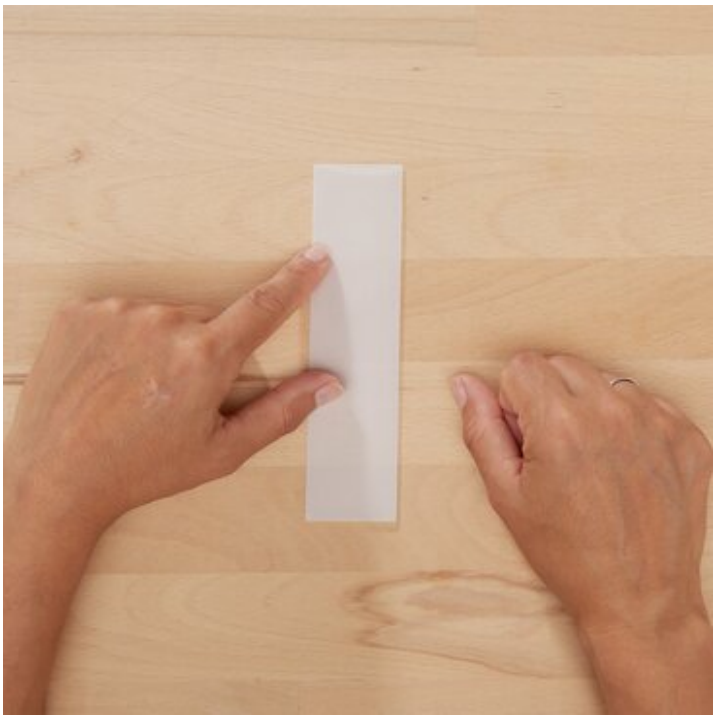

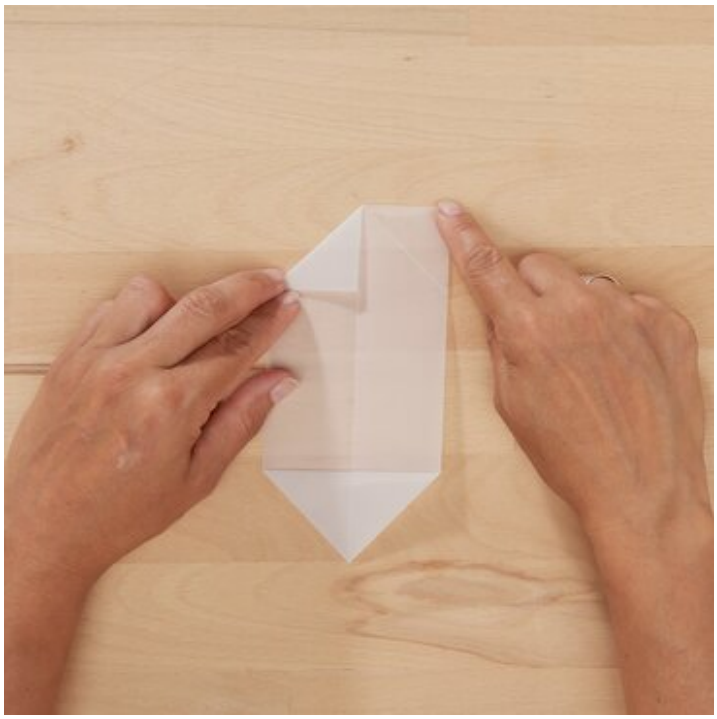

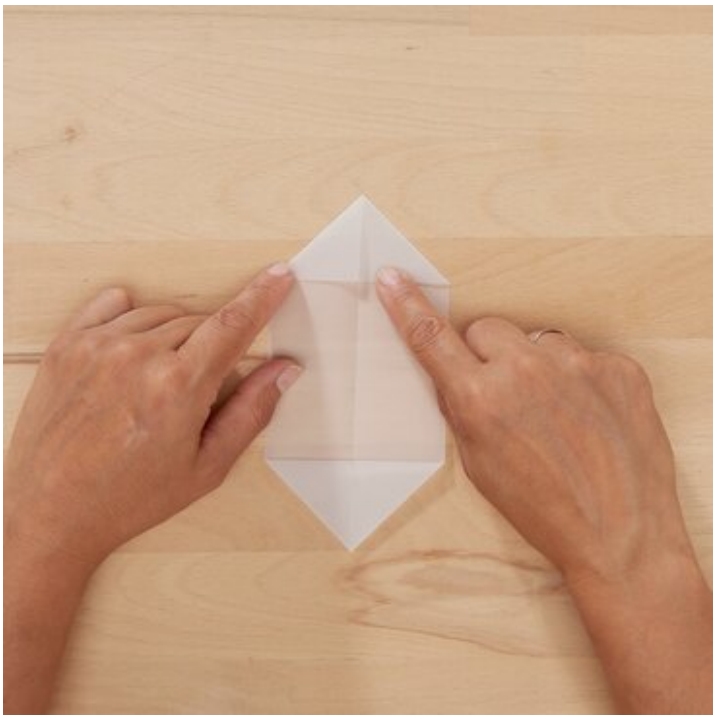

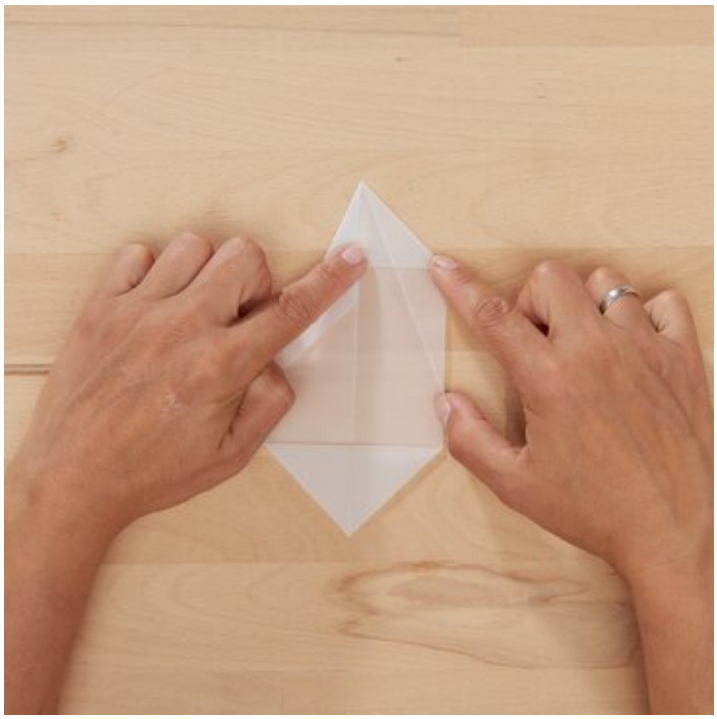

Variante stellare 2 "Medium" dalle carte 7,5 x 15 cm:

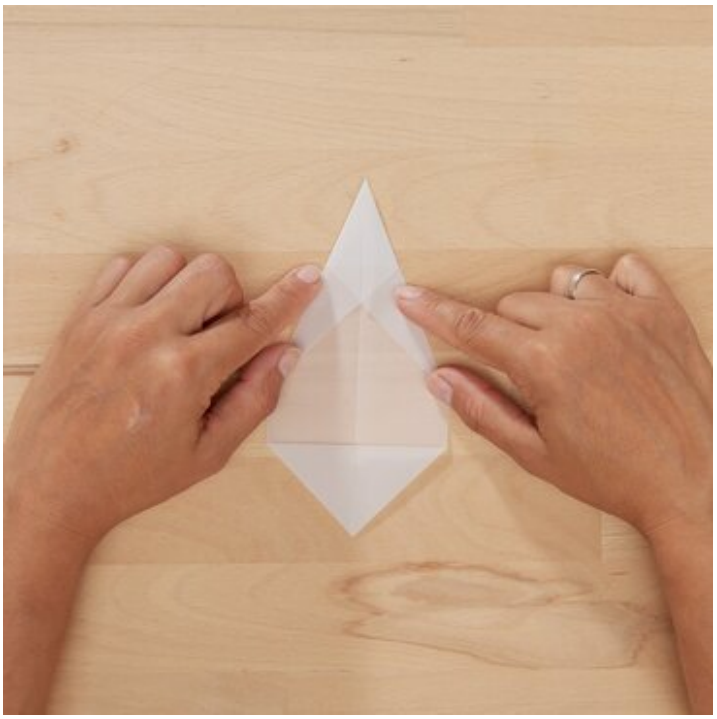

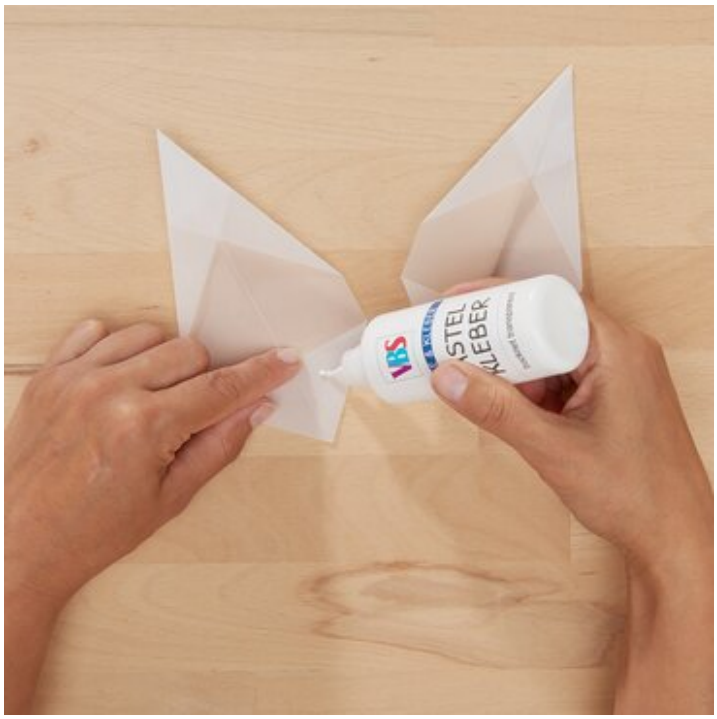

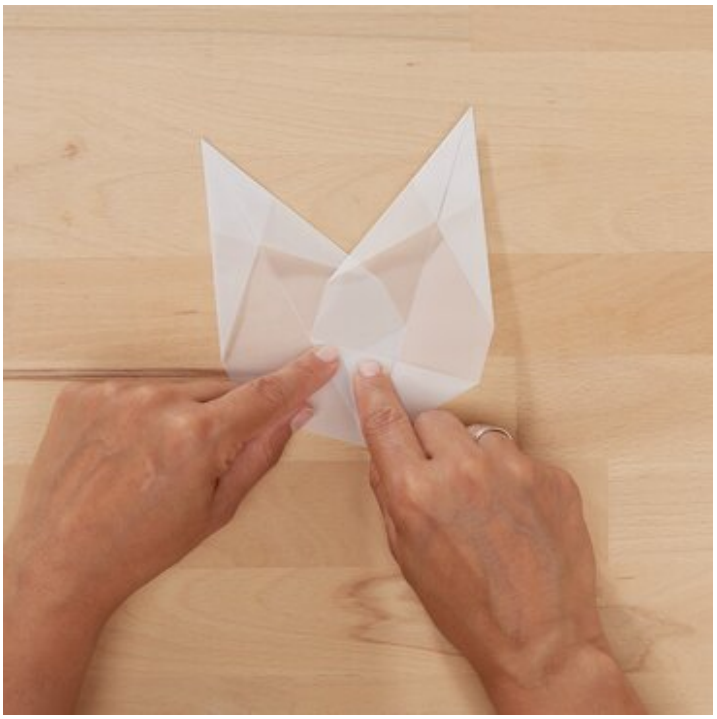

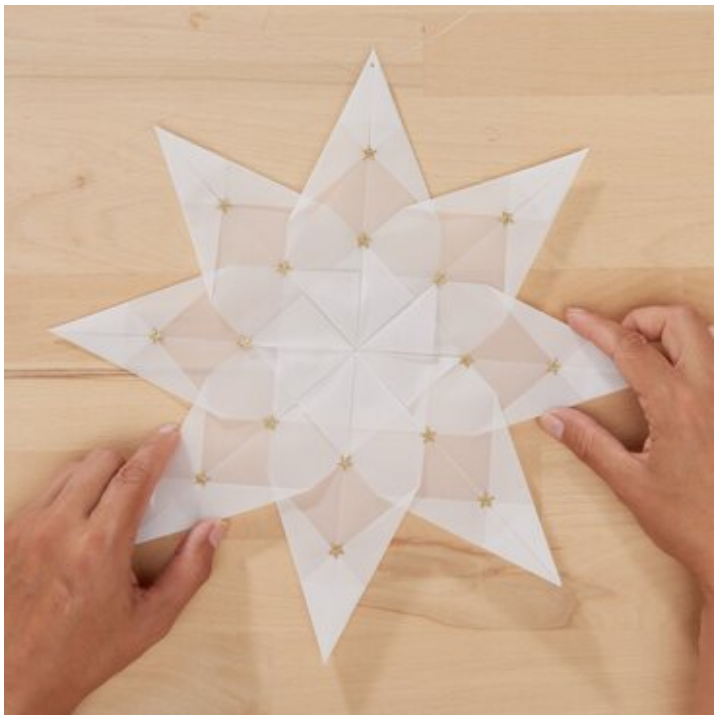

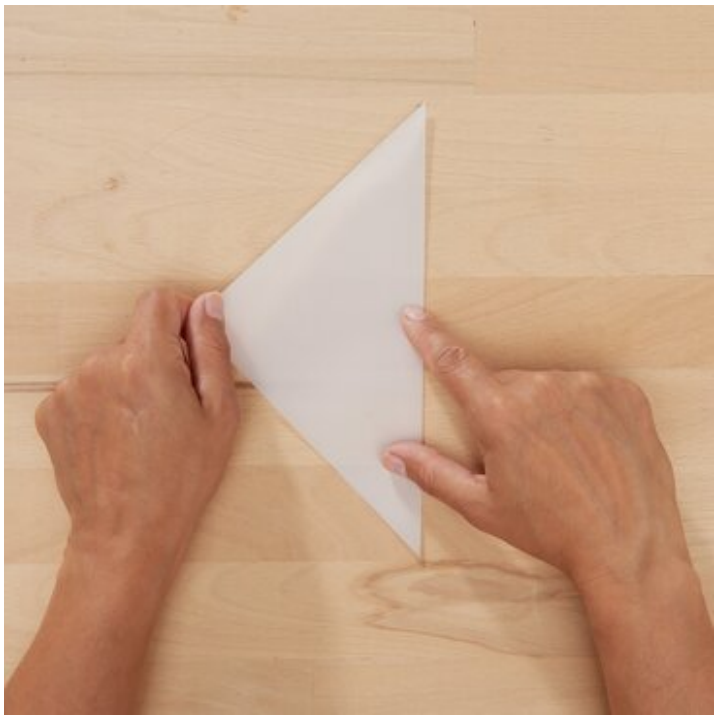

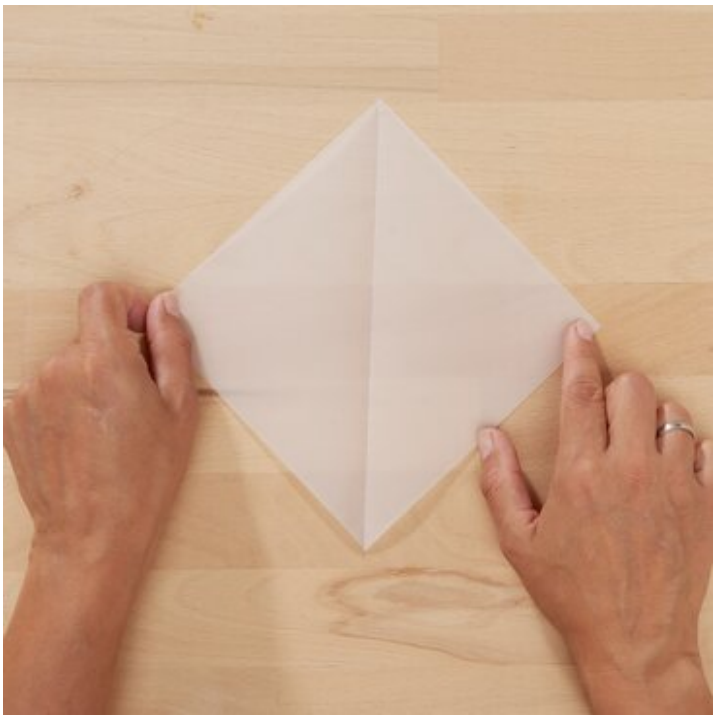

VBS

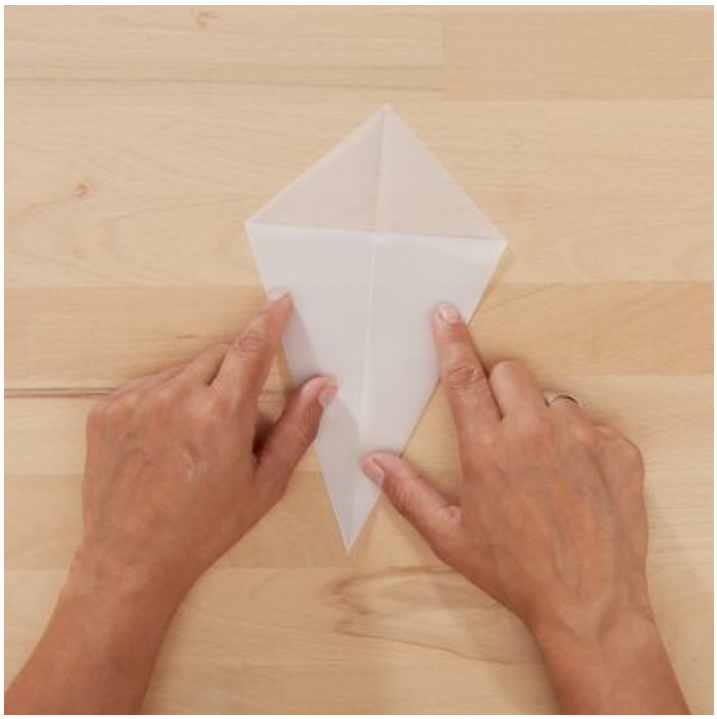

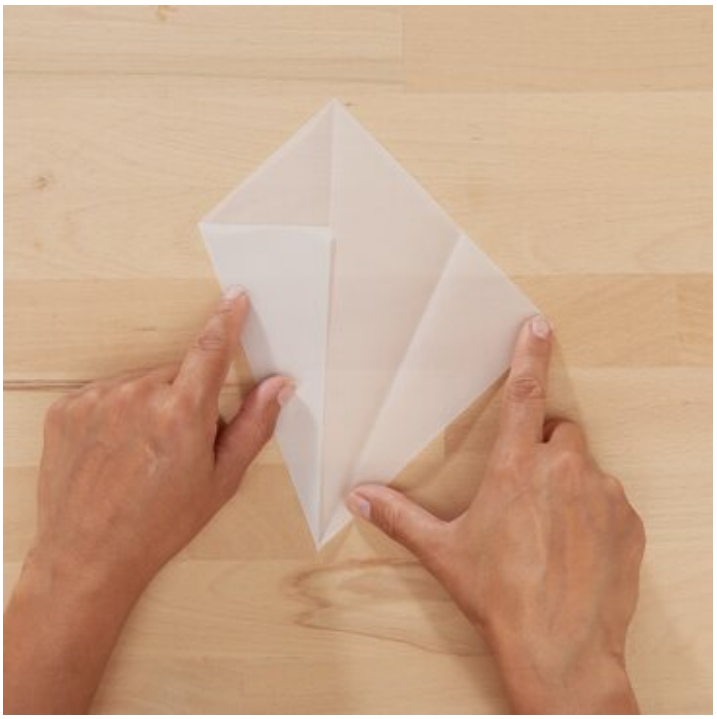

Variante stella 3 "Grande" con una piccola stella in cima, realizzata con le carte 15 x 15 cm e 10 x 10 cm:

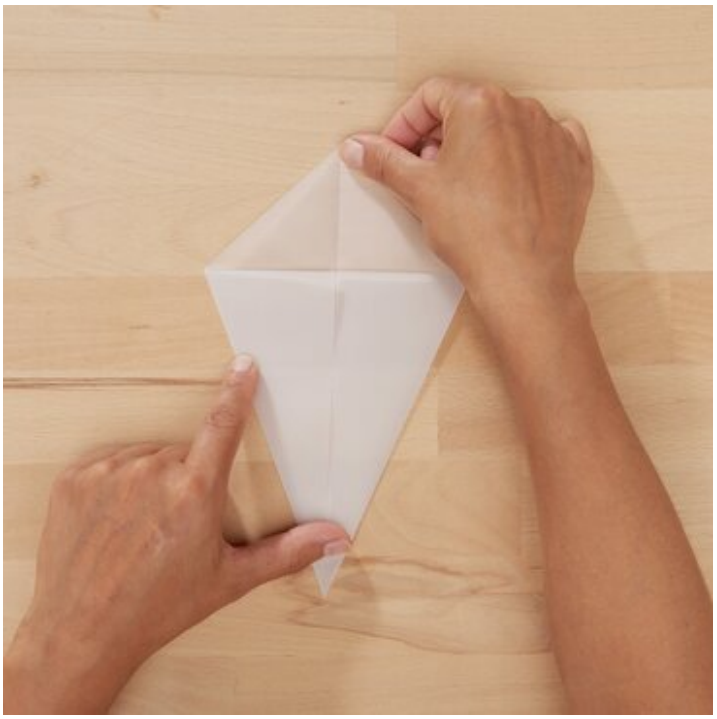

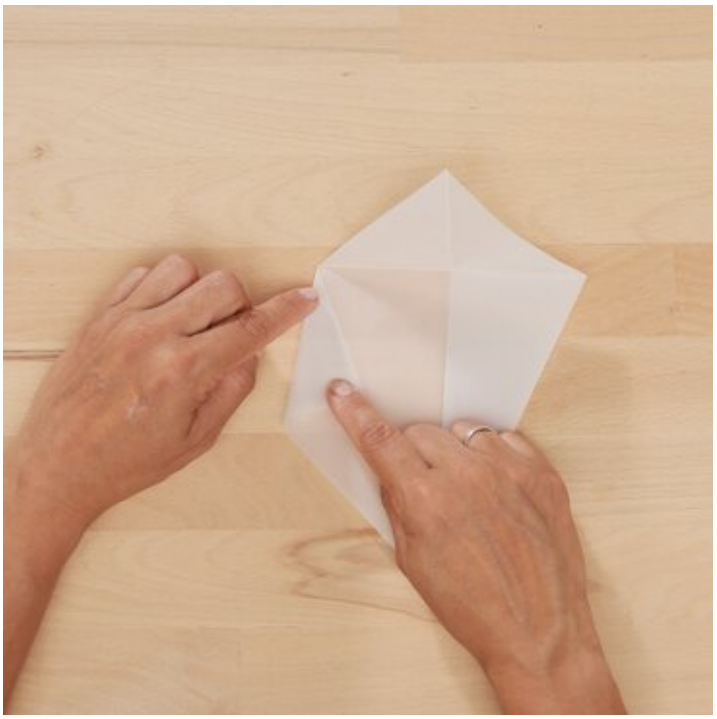

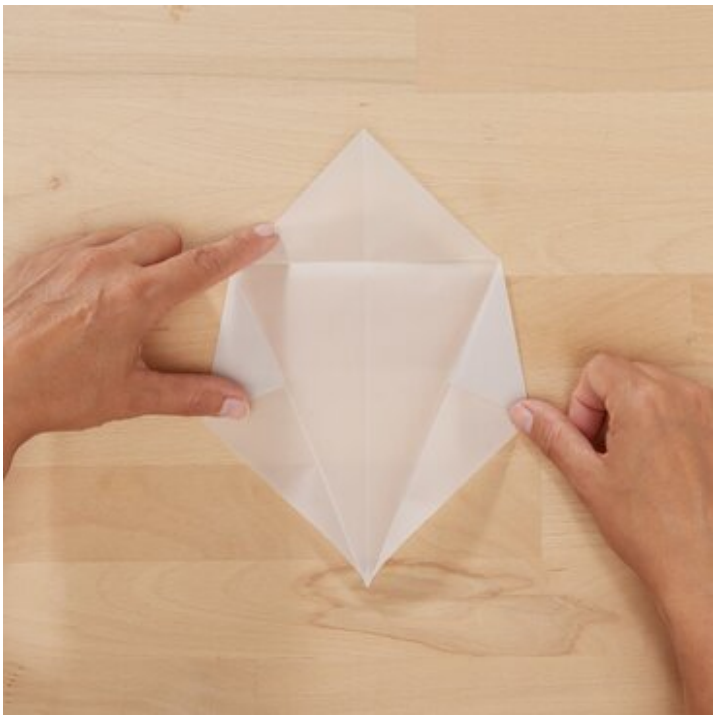

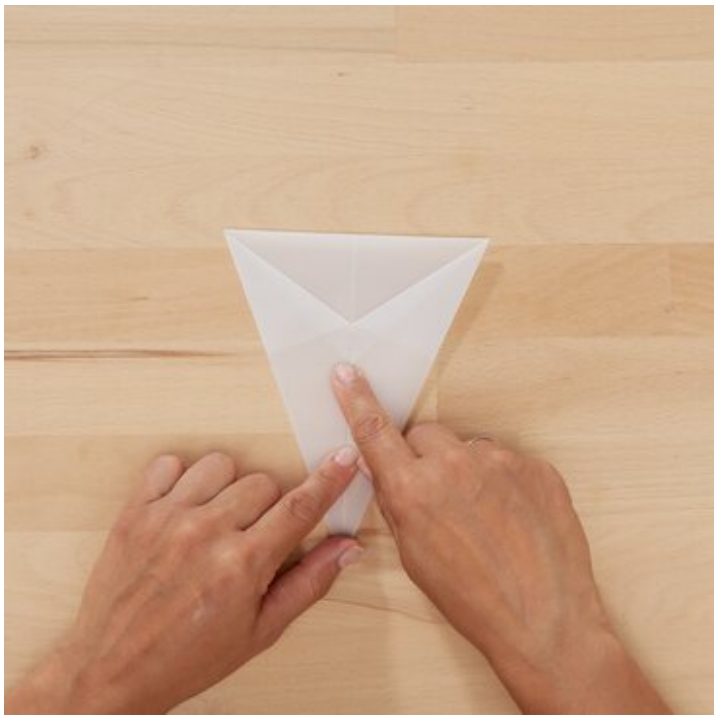

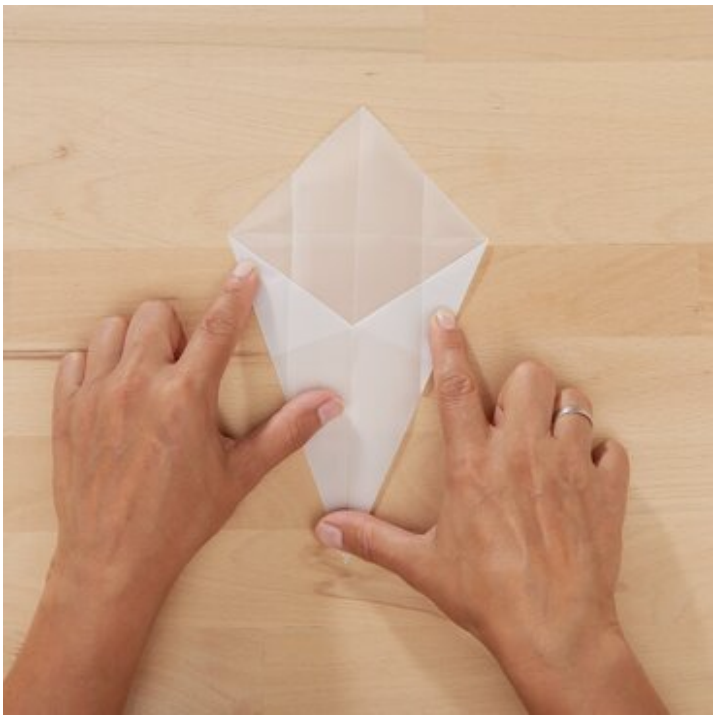

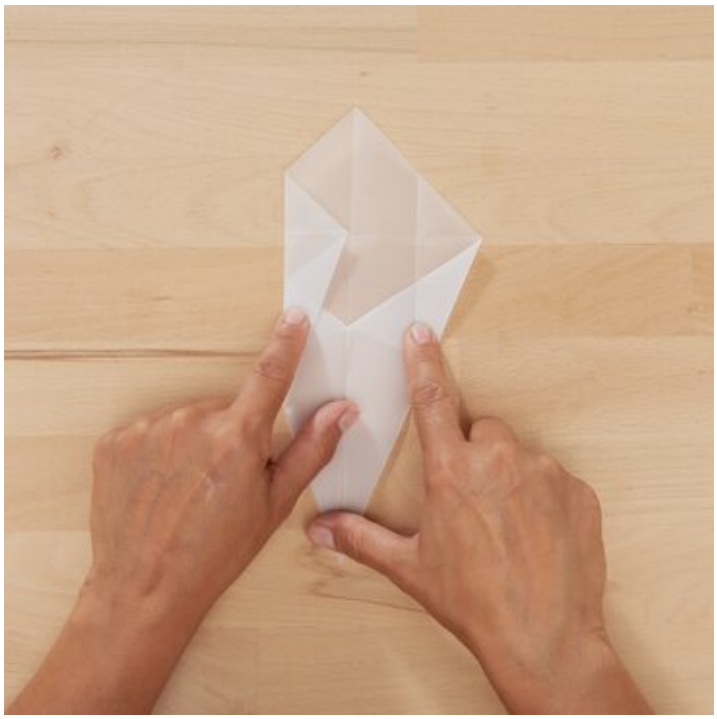

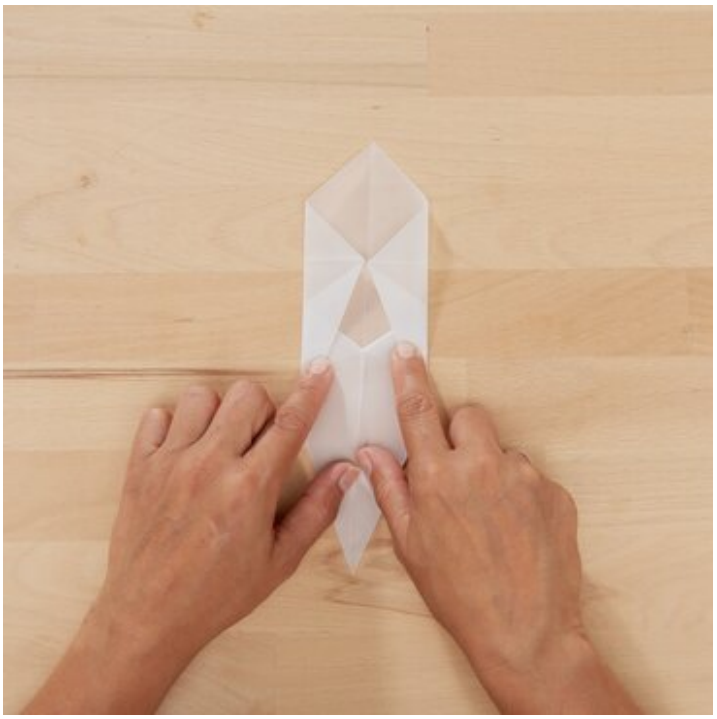

Dopo aver piegato la stella grande e averla incollata, abbiamo piegato un'altra stella più piccola e l'abbiamo incollata sulla stella grande.

Decorare e appendere:

Decorare le stelle finite con gli adesivi. Con la punzonatrice fare un buco per l'appendimento e far passare il filo di nylon.
